

PRIMO LINEAR

V-9 LINEAR NET WEIGHER TWIN LANE

Benefits and Advantages

- Tool-less disassembly and removal of hopper, weigh bucket & funnel. Quick disconnects reduce down time when cleaning and changing products.
- Automatic / pneumatic gate increases accuracy ensuring no additional product moves along the bulk pan.
- Pneumatics are not mounted to the weigh bucket; air lines do not have to be disconnected eliminating risk of contamination.
- Anti-vibration leveling pads increase accuracy of measured product.
- Built independent of floor frame for additional performance and flexibility.
- Open frame design provides easy access to all areas of the PrimoLinear making sanitation quick and easy.
